

CITY OF
Trenton
 OHIO **5-Year
 Street Levy**

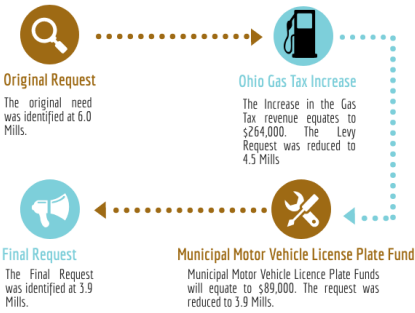

In November of 2019, a street levy is on the ballot. This levy is only for 5 years and would require voter approval for it to continue.

2018 Pavement Condition Index

This index is used by the US Department of Transportation Federal Highway Administration

How was the millage decided?

\$136.50

per year

for an owner of a \$100,000 home

\$11.38

per month

for an owner of a \$100,000 home

\$0.37

per day

for an owner of a \$100,000 home

How much will it cost?

The Street Levy will cost a homeowner of a \$100,000 home...

What can and cannot be done with the Levy Revenue?

The revenue from the Levy will be placed within it's own fund and not intermingled with Public Works Streets General Fund revenues.

Revenue from the Levy can be used for:

- The purpose of general construction;
- Reconstruction;
- and repair of streets, roads and bridges.

Revenue from the Levy cannot be used for:

- Purchase/Creation of Buildings; Purchase of Vehicles/Equipment
- Hiring Additional Staff
